- We recognise that everyone has different levels of vulnerability and that all adults should be offered respect and given inclusion and empowerment within the Church.
- We are committed to implementing a safeguarding policy for adults when they are vulnerable accepting the House of Bishop's Policy on Safeguarding Vulnerable Adults (Promoting a Safer Church) In addition the Parish will follow the Diocesan Procedures and recommended good practice and be responsive to local parish requirements.
- We will review and endorse all safeguarding policies annually so that all members are aware of their responsibilities.
- We will carefully select those working with vulnerable groups and these workers will be given appropriate support and opportunities for training.
- We will respond without delay to every complaint made that a vulnerable adult for whom we are responsible may have been harmed.
- This Parish will co-operate fully with the statutory agencies in every situation and will not conduct its own investigations.
- We will seek to offer informed pastoral care to any adult who has suffered abuse.
- We will care for and supervise any member of our church community known to have offended in a manner which could affect adults who are vulnerable.
